Now, walk and enjoy Dasara illumination

'No Vehicle Zone' around Palace from 9 pm to 11 pm till Oct. 4

Mysuru, Sept. 27 (RK&BCT)- Following a series of traffic jams and roads clogged with vehicles in the Central Business District (CBD) during Dasara illumination, the City Police have imposed a 'No Vehicle Zone' around the Mysore Palace to facilitate visitors to enjoy Dasara illumination from 9 pm to 11 pm up to Oct. 4.

While illumination is a great hit among visitors, the common complaint from people is that they are forever-stuck in the slow-moving traffic for hours with bumper-to-bumper traffic.

On Sept. 10, *Star of Mysore* had published a report ***'City centre illumination: Police mulling banning vehicles during Dasara'*** and the report said that vehicles will be banned around the Palace.

Accordingly, now the Police have issued a press release in this regard. People can now walk and enjoy the illumination instead of bringing all their vehicles on the roads, clogging the streets, City Police Commissioner Dr. Chandragupta told *SOM* last evening.

According to the Police Commissioner, the roads connecting Jayachamaraja Wadiyar Circle (Hardinge Circle) with Chamaraja Circle, Krishnaraja Circle, Maharaja Sanskrit Patashala Circle, Gun House Circle and back to Jayachamaraja Wadiyar Circle, around the Mysore Palace will be 'No Vehicle Zone' up to *Ayudha Puja* Day.

Earlier, the Police were planning to restrict vehicles in the entire CBD, allowing only city buses and 'Ambaari bus service so that people could take the buses instead of cars but this was not practical. "People throng to the CBD to enjoy the illumination. As most come in private vehicles, vehicular traffic comes to a standstill and causes inconvenience to the people. Banning vehicles for certain hours in certain areas is the only solution," Dr. Chandragupta said.

Yuva Dasara delayed, a shift in tradition

- Gala event to begin tomorrow at Maharaja's College Grounds at 6 pm
- Cancellations by star performers take away sheen; Sonu Nigam performance on Oct. 1 a face saver

Sonu Nigam

Mysuru, Sept. 27 (MK&BCT)- There has been a deviation in the tradition of hosting Yuva Dasara just a day after Dasara's inauguration and this time, the mega youth show will begin on Sept. 28, two days after the Dasara inauguration.

The mega event will now be inaugurated at 6 pm tomorrow at Maharaja's College Grounds with revised programme.

Superintendent of Police (SP) R. Chethan, who is also the Special Officer for the Yuva Dasara Sub-Committee, told reporters that Mysuru District Minister S.T. Somashekar will inaugurate the Yuva Dasara and Hat-trick Hero Shivarajkumar will be the special invitee along with Ashwini Puneeth Rajkumar, the wife of late Dr. Puneeth Rajkumar. According to the revised schedule, Ashwini Puneeth Rajkumar will inaugurate the Yuva Dasara and 'Appu Namana'.

Sources told *Star of Mysore* that the earlier scheduled inauguration on Sept. 27 was postponed as the organisers wanted a 'star touch' to the festival.

As per the earlier plans, actor Kichcha Sudeep was to make a special appearance during the inauguration and he expressed his inability to attend the inauguration due to his other shooting commitments.

As Sudeep backed out, the organisers were in a quandary as there will be no 'star touch' to the festival. Also, the organisers wanted the District Minister to be the inaugurator at any cost. Due to the last-minute cancellation, the organisers had to scramble for new guests and reschedule the star performers.

Huge demand for Ambaari bus ride at night amidst lights

Rooftop travel ticket prices hiked to Rs. 350 from 250

Mysuru, Sept. 27 (RK&BCT)- Ambaari, the double-decker hop-on and hop-off bus service launched by the Karnataka State Tourism Development Corporation (KSTDC), is a great hit among the crowd who are watching the illuminated streets seated on the vehicle's roof top.

There is a huge demand for trips beyond 6 pm as the city lights, as part of Dasara festival, are switched on from 7 pm to 10.30 pm (or 11 pm) daily. All those who dread to drive during nights amidst bumper-to-bumper traffic on city roads to see the illumination and those who dare not to walk on pothole-filled roads and on broken footpaths prefer a hassle-free ride in Ambaari.

Following the demand, KSTDC has increased price of the bus ride (rooftop) to Rs. 350 from Rs. 250. As per a notice put up at KSTDC Office on JLB Road, the bus trip on rooftop will cost Rs. 350 per person and the first level passenger seats will cost Rs. 250. Children above five years are being charged full ticket and all the tickets can be booked online ***https://www.kstdc.co/***

The evening trips will start from 6.30 pm, 7.45 pm, 9 pm and 10 pm.

Sarasa Translation Workshop held at Dhvanyaloka

Mysuru, Sept. 27- The Annual Sarasa Translation Workshop was conducted at Dhvanyaloka in Bogadi here in collaboration with the Central Institute of Indian Languages (CIIL), Mysuru, recently.

Welcoming the participants, Prof. C.N. Srinath, Director Dhvanyaloka and Editor, Sarasa, observed that Translation was a highly creative activity, which made many demands on the translator. Apart from wide scholarship and linguistic competence, what was also most imperative was selection of texts for translation. One had to be singularly discerning in this regard, steering clear of mediocrity if one's work had to be a contribution towards enrichment of both language and literature.

Prof. Srinath also made a few announcements: 1. Launching of a Translation Centre which would provide an opportunity to the participants to showcase their work; 2. To publish their work under the auspices of Sarasa; 3. Presentation of Sarasa Award of the Year carrying a cash amount of Rs. 10,000 at the next workshop.

Dr. Tariq Khan, Officer-in-charge, National Translation Mission, CIIL, speaking about the aims and objectives of CIIL in this area to make translation an important, valid and reliable activity, admitted that there was still a lot to do. Hence, he requested all the participants to visit CIIL and submit a proposal to the Government of India to make Translation a kind of professionalised skill like Medicine. Through this we could avoid operating from the outer periphery, he said, dwelling on certain aspects of Translation at length, notably Interpretation.

The workshop took up classics like Harihara's *Ragale* and DVG's *Manku Thimmana Kagga* apart from contemporary biographies, poems and short stories.

EDITOR'S BOTTOMLINE

Humans suffer from three kinds of** tapatraya, **or pain: heat/anxieties/tensions caused by** AdhyAtmika, Adi-bhautika **and** adi-daivika, **namely body, nature and karma, with impact on physical, mental and spiritual facets. A variation of the mental pain is emotional pain, probably the worst of all. When we are inflicted by pain, we look for solutions to heal them by running to doctors, specialists or spiritual gurus. It is difficult to grade pains into severity levels. Usually, every kind of pain is unique to the sufferer, which he cannot precisely explain to others, and even if so attempted, the listener can neither understand nor experience; he can only empathise and console.

Fortunately, most pains can be alleviated and sometimes cured by the one internal power itself, that is, the mind. Mind, in the nature of the universe, has immense energies and techniques to heal. Scientific experiments have established that the processing of all pains takes place in the mind itself. The wiring of the mind to receive the pain stimuli may vary but its processing and cure are identical regardless of the category of the pain. Hence, mind is one of the best remedial instruments. Even where the pain cannot be healed completely, it can be transcended. There are various methods, beyond the conventional medical systems, available to the mind for curing pain — meditation, prayer, yoga, love, service, attention diversion, music, and mindful observation, to name a few.

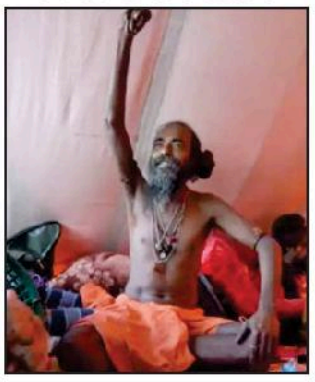
Man keeps his hand raised for over a decade



Allahabad: An 'sadhu' has been holding his arm in an upward position continuously for more than a decade in honor of his god.

Mahant Radheypuri Juna Akhara, a sadhu – a religious or holy person who has renounced their worldly life – from Allahabad has been keeping his right arm raised high above his head for more than 10 years in honor of a Hindu deity. He was recently featured in a viral Twitter video, telling the interviewer that he wanted to do something for his God, so that it notices him. So he raised his right arm up and never put it down again. Today, it's sort of stuck in that position and he claims he doesn't even feel it anymore.

Asked how long he planned to keep his arm raised like that, Mahant, who even sleeps with his right arm in the unusual position, said that he hadn't even thought about it.

REALLY...?

- ***The history of India from ancient times to modern is recounted in a series of dolls. The simple folk of India finds a place in dolls that project rural life. The vividly colourful Indian dances — be it Kathakali, with its complex grammar, or Bhangra, with its vigour and exuberance are also well depicted through dolls. Dolls act as cultural ambassadors reflecting 5,000 years of Indian civilization.***
- ***Wooden paddle dolls are one of the oldest dolls found. They were discovered in ancient Egyptian tombs that date from 2000 BC. Their purpose is not entirely clear. Ancient Greek dolls with articulate limbs date from 200 BC and documents from 100 BC show dolls as children's toys. Romans made dolls from clay, wood, ivory or rags. They were found in children's graves dressed according to the latest fashions.***

Colourful start to Dasara cultural events

Mysuru, Sept. 27 (SBD&DM)- The eight-day Dasara cultural programmes got off to a colourful start in the Palace premises amidst glittering lights last evening.

Assembly Speaker Vishweshwar Hegde Kageri, Legislative Council Chairman Raghunathrao Malkapure, District Minister S.T. Somashekar, Kannada and Culture Minister V. Sunil Kumar, KR MLA S.A. Ramdas and other dignitaries lighted the lamp in the Palace premises marking the inauguration of the eight-day cultural extravaganza which will go on till Oct. 3.

Speaking on the occasion, Assembly Speaker Vishweshwar Hegde Kageri said that we should identify and eliminate the evil within us and in the surroundings.

Noting that the country is facing many challenges even after 75 years of Independence, Kageri said that there are evil forces such as naxalism, extremism, terrorism etc., within the country, which needs to be taken on with an iron hand.

Pointing out that it is a golden moment for Mysuru as the President of India, the first citizen of the country, had inaugurated Dasara for the first time, Kageri said that Mysuru Dasara, apart from being a pride of the State, attracts global attention for its splendour.

Bemoaning that ideals and values are fast declining in all fields and sectors, he stressed on the need for coming out of this vicious circle and strive for building an ideal and model society.

Legislative Council Chairman Raghunathrao Malkapure, in his address, said that the Mysuru royal tradition has been outstanding among the over 500 royal families of the State. Pointing out that Basavanna established the democratic system by setting up Anubhava Mantapa in the 12th century, he said that though Mysuru was ruled by the royal family, the administration was very much similar to a democratic set up.

MLA S.A. Ramdas said that a unique music programme 'Suryodayadinda Suryasthamanadavarege' (Sunrise to Sunset) will be held in the Palace premises on Oct. 2 which will feature a variety of musical concerts involving three generations of musicians.

Ramdas further said that the number of visitors to the Palace has more than doubled ever since Prime Minister Modi took part in the International Day of Yoga event held in the Palace premises in June this year.

Mysore Paints and Varnish Limited (MPVL) Chairman Kautilya R. Raghu observed that Dasara will be incomplete if we do not remember the erstwhile Mysore rulers such as the 10th Chamaraja Wadiyar, Nalwadi Krishnaraja Wadiyar, Jayachamaraja Wadiyar etc., Also, great musicians of the royal times such as Veene Seshanna, Bidaram Krishnappa and Piteelu Chowdiah too should be remembered for their excellence, he said adding that the Dasara cultural programme is a perfect platform for portraying out rich culture and traditions.

The day one of the event featured a dance presentation with the theme 'Amrita Bharatige Kannadadarati,' presented by Bengaluru's Saptaswara Arts and Creations, led by Manjula Paramesh, which shed light on the freedom struggle, the sacrifices of freedom fighters and the 75th year of Independence.

Later, senior singer of Mysuru H.R. Leelavathi and team presented a wonderful Sugama Sangeetha concert, which enthralled the audience. Earlier, artistes Yaduraj and Gururaj presented a Nadaswara concert, followed by a 'Veerabhadra Kunita' folk performance by Kiralu Mahesh and troupe.

Apart from the Palace, the other venues of the Dasara cultural programmes which will go on till Oct. 4 are: Jaganmohan Palace, Kalamandira (inclusive of Kirurangamandira) on Hunsur Road, Ganabharathi on Adichunchanagiri Road in Kuvempunagar, Sri Nadabrahma Sangeetha Sabha on JLB Road, Chikkagadiyara (Dufferin Clock Tower), Town Hall in the heart of the city and Aramane Mala on R.P. Road in Nanjangud town.

'Rajya Sangeetha Vidwan' award conferred

Renowned Hindustani Classical singer Vidushi Lalith J. Rao was conferred the prestigious 'Rajya Sangeetha Vidwan' award during the inauguration of cultural programmes at Palace yesterday.

Speaking after receiving the award, Vidushi Lalith J. Rao, who is now settled in Bengaluru, said that she was extremely delighted for having received the prestigious award. Stating that she felt dumb-founded when her name was announced for the award, she said that Ustad Fayaz Khan was the Guru of all her Gurus, who was bestowed with the title 'Aftab-e-Mousiki' by the then Mysore Maharaja Nalwadi Krishnaraja Wadiyar after he gave a concert at the Mysore Palace. Now, she has been bestowed with the prestigious music award of the State Government at the same venue where Ustad Fayaz Khan was honoured, she said adding that this was the biggest moment of her life.

Though the award was to be conferred by the Chief Minister as is the practice, the Kannada and Culture Minister should have conferred the award on Vidu. Lalith J. Rao, in the absence of CM Bommai, who left for Hubballi along with President Droupadi Murmu after Dasara inauguration in the morning. But Kannada and Culture Minister V. Sunil Kumar, who was present along with the District Minister S.T. Somashekar during the inauguration of Dasara Cultural programmes, left the venue along with Somashekar some time after the inauguration for taking part in the launching of Dasara illumination. Though Somashekar returned after some time, Sunil Kumar did not turn up for the conferment of the award, which brought disappointment among the audience.

Mayor Shivakumar, Dy. Mayor Dr. G. Roopa, Corporator B.V. Manjunath, Dasara Cultural Sub-Committee Presient Somasundar, Vice-President Gejjagalli Mahesh, DC Dr. Bagadi Gautham, ZP CEO B.R. Poornima and Palace Board Dy. Director T.S. Subramanya were present.

Hindustani singer Lalith J. Rao of Bengaluru being conferred with 'Rajya Sangeetha Vidwan' Award-2022 during the inauguration of Dasara Cultural Programmes at Mysore Palace last evening. 'Govt. to develop Mysuru as an Industrial Hub'

Murugesh Nirani launches Kaigarika Dasara

Mysuru, Sept. 27 (RKB & TRR)- Minister for Large and Medium Scale Industries Murugesh Nirani inaugurated Kaigarika Dasara-2022 at Vijnana Bhavan in Manasagangothri yesterday. Speaking on the occasion, he said that the late Maharaja of Mysore Nalwadi Krishnaraja Wadiyar and Engineer-Statesman Sir M. Visvesvaraya introduced industries to the entire world at a time when nobody had any idea of industry.

Nirani

"By establishing about 150 industries, Nalwadi was in the list of top 10 richest persons of the world. If Mysuru is at the forefront in the fields of education and industry today, it is because of Nalwadi," said Nirani.

"Before Independence, India had a population of 30 crore and we were not self-sufficient in food production. But today, despite having a population of 130 crore, India has not only become self-sufficient in food production but also exporting to other countries, he said.

Crediting PM Narendra Modi for the country's self-sufficiency in food production, Minister Nirani said that India is on the verge of attaining Atma Nirbharata in food production. "Modi wants India to decrease imports and increase exports," he noted.

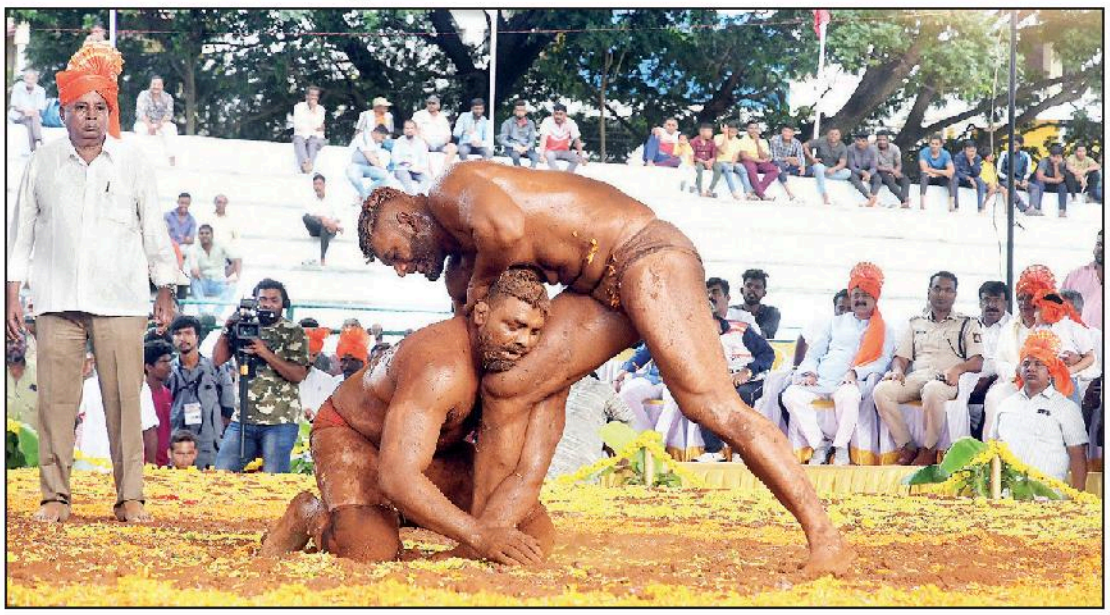
"Mysuru is making significant progress in the fields of education and industries. Nation's first Semi-Conductor Industry will soon come up in Mysuru at a cost of Rs. 22,500 crore. Multi-National Company (MNC) ISMC is investing in this project. It provides direct employment to 6,000 people and indirect employment to 15,000 people. This industry will become functional in three years," said Murugesh Nirani.

Bengaluru is already witnessed big industrial growth and the State Government is now focusing on second and third tier cities for setting up of more industries and Mysuru is one of the priority places, said Nirani.

"A Global Investors Meet is being organised from Nov. 2 to 4 at Bengaluru. We have visited Davos, America and Japan to meet world's leading industrialists and invited them to invest in Karnataka and many have shown interest. In the proposed Bengaluru meet, we are expecting an investment of Rs. 5 lakh crore. About ten lakh jobs will be created," he added.

Exhorting the youths to focus on self-employment, the Minister pointed out that 40 to 50 percent subsidy is being given to the self-employed people. For those who want to manufacture Ethanol from Sugarcane, it has been decided to give loan up to 95%. "There will be a subsidy of 6 percent for 5 years. Ethanol can be manufactured with zero investment," said the Minister and concluded by saying that Nalwadi Krishnaraja Wadiyar is the role model for all industrialists.

Wrestlers fight it out at Dasara contest



Mysuru, Sept. 27 (MK&KS)- By providing more than 100 wrestling houses *(Garadi Mane)*, the State Government is encouraging traditional wrestling, said Minister for Youth Empowerment and Sports K.C. Narayanagowda. He was speaking after inaugurating the traditional wrestling bouts organised as part of Dasara festivities at D. Devaraj Urs Multipurpose Stadium at Doddakere Maidan here yesterday.

Continuing, the Minister said that Dasara is a festival for everyone in the State and added that Mysuru Dasara has always given encouragement and strength to the wrestlers.

District Minister S.T. Somashekar, who also spoke, said that 30 to 40 wrestlers from various States are taking part in this year's Dasara Wrestling events which is a special one. The Minister appreciated the Dasara Wrestling Sub-Committee for organising the events perfectly.

Earlier, the sports torch was brought to the wrestling arena by senior wrestler Pailwan KSRTC Kempegowda, who offered *puja* to the mud (matti).

MLA L. Nagendra, Dasara Wrestling Sub-Committee Special Officer Dr. B.N. Nandini, President K. Devaraj, Working President Govindaraju, Vice-Presidents H.S. Vedaraj, Mahesh Raje Urs and M.M. Rajegowda, Secretary S.J. Harshavardhan, BJP City President Srivatsa and others were present on the occasion.

Audience express anger on Kollapur wrestler

During the bout between Pailwan Siddeshwar Mouli Jamadale of Kollapur and Pailwan Vikas Kala of Haryana, wrestling fans expressed their anger on Siddeshwar over his behaviour.

Siddeshwar, who was in the attacking mood from the beginning of the bout, did not follow the rules, resulting in the audience getting angry on him.

As one of the senior wrestlers shouted on Siddeshwar to wrestle in an orderly manner, Siddeshwar got angry and tried to pick up a fight with the audience.

MLA L. Nagendra, a former wrestler, who was the referee, intervened and brought the situation under control. Finally, the bout ended in a draw after one hour of wrestling.

Even the bout between Pailwan Vikas and Pailwan Sagar Chougle of Kollapur ended in a draw. The bout between Pailwan Bhyranayaka of Mysuru and Satish Kalale too ended in a draw. Pailwan Krishnagopal of Rammanahalli defeated Mohammed Tabis Khan.

The Big Top Comes to Town Great Bombay Circus

A royal touch was given to the Great Bombay Circus when it was inaugurated by the royalty Mrs. Pramoda Devi Wadiyar on 24th September as one more attraction for Dasara. Except for the last two pandemic years, circus has always been an attraction during Dasara.

I decided to entertain myself and my family by attending the first show on first day, like cinema crazy people do, deriving great pleasure in bragging about it with others.

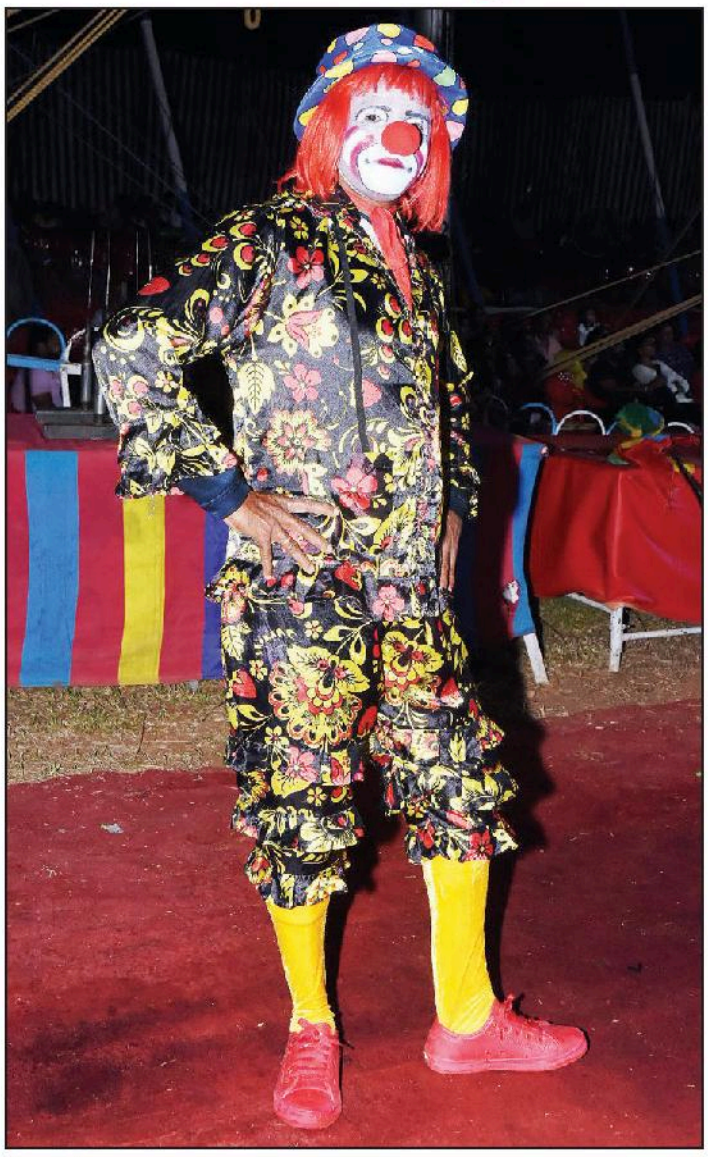
Seeing a circus after many years I was both delighted and disappointed. Delighted because of different kinds of shows and acts from circus performers — the gymnast, stuntman, acrobat, trapezist, artist, dancer, the clown, jugglers, somersault, rope walkers, fire eaters and spewers, hoopers etc., no end. The tower basket ball act caused anxious moments for the spectators and it was a skill par excellence.

Disappointed because there were no animals. In the past there used to be animals — elephants, tigers etc. — and a ring master with a whip in hand. These trained animals used to be the other entertainment the spectators looked forward to, specially children. After all, children love animals. Because of the perceived cruelty to these animals, the use of animals in circus has been banned. So much for our love for animals. Sadly we are yet to love human beings. However, I saw a few dogs and parrots in action.

Clowns and jokers play an important role to make the children scream and jump with joy at their antics. In fact most of the parents came primarily for the sake of their children or grandchildren, myself included.

Usually, a travelling tent circus like this will have two, three or four rings for different acts. Which is why it is called Big Top. Well, what we have here is one ring and all the acts happen here under one top.

Circus is basically a demonstration of human skills and daring watched by people, from the tiers of seats, craning their necks and turning their heads, simultaneously managing their restless brats !



Pandit Dr. S. Ballesh Bhajantri

As I watched the show, I remembered the famous Raj Kapoor film of 1970, *Mera Naam Joker.* That he had shot the film with the Russian circus troupe was the hashtag for promoting the film. It was a good film but with a streak of sadness. Raj Kapoor plays the role of a joker.

Here I am reminded of a wisecrack. That a joker in a circus though makes spectators laugh and happy, he is the saddest person personally. The film *Mera Naam Joker* revolves around this theme. Let it be.

After watching the show, I thought since there are no animals there should be more children-oriented acts that would make them laugh and wonder. This in addition to the usual acts done by trapeze artistes, acrobats and others.

Last Saturday was a good day for me for two reasons. Of course, one was the visit to the Great Bombay Circus in the evening and another, viewing an interesting interview on *Chandana TV* in the afternoon of the Shehnai player and classical vocalist of International repute Pandit Dr. S. Ballesh Bhajantri (known generally as Ballappa) of M.K. Hubli village, Kittur taluk, Belagavi district.

He is a recipient of *Padma Shri* and many awards. A humble, soft-spoken soul without any air about his achievement and musical genius. He has his share of contribution in the famous Telugu film *Bahubali* and of our own Dr. Rajkumar's *Sanaadi Appanna* where Shehnai music had enriched the films.

The film *Sanaadi Appanna* is notable for the fact that Ustad Bismillah Khan played the actual Shehnai for Rajkumar's character in the movie. Pandit Dr. Ballesh Bhajantri spoke of great Ustad Bismillah Khan, the ultimate genius of a Shehnai player of all time. He confessed that Bismillah Khan was his inspiration and confidence-builder and remembered him with great nostalgia and gratitude. I hope Ballappa is invited to perform in Dasara music programme. If so, I would not miss him.

I felt a bit diminished as a journalist when I realised that I did not know about such an artiste till I saw that interview. But then our life is such that there is so much to know and very little time. And as years roll by memories also fade and fail us. If it is so, so be it. Let us count our blessings, instead of regretting the lost opportunities or lack of talents and skills found in the circus artistes and musicians.

District Minister Somashekar on inauguration-spree

Mysuru, Sept. 27 (BCT)- True to the common perception in Mysuru that *Netas* will have a field-day during Dasara every year while officers and volunteers will be doing all the hard work, the limelight on 2022 Dasara is on Mysuru District Minister S.T. Somashekar, who actually hails from Bengaluru.

And knowing well that the focus will be on him, the Minister was dressed traditionally and impeccably with cream *kurta, dhoti* with golden border and a matching *shalya* with a black slipper.

Somashekar was on an inauguration-spree on the festival opening day and from the Chamundi Hill where President of India Droupadi Murmu inaugurated the festivities till the inaugurations that happened till late in the evening, it was Somashekar all the way. He also went to the Mysore Airport to welcome the President along with the Governor and the CM.

During the main event with the President, no elected representatives from Mysuru got a chance to be on the stage including Chamundeshwari MLA G.T. Devegowda, MP Pratap Simha and Mayor Shivakumar due to protocol restrictions by the President's Office.

Somashekar got the chance of inaugurating most of the events as Chief Minister Basavaraj Bommai had to be with the President at Dharwad and even the *State Sangeetha Vidwan Award* that is usually presented by the CM had to be presented by Somashekar, who is next in command for Mysuru District after the CM.

Speaking on the occasion, Somashekar said that the 3-month-long Dasara exhibition is being held in a much more organised manner when compared to the past. He lauded the efforts of KEA Chairman Mirle Srinivas Gowda in carrying out works in a short span of time and thus ensure that most of the stalls, including those allotted to Government Departments, are ready by the time of inauguration.

KEA Chairman Mirle Srinivas Gowda said that the Dasara expo is much more attractive this year, with new ideas and concepts.

After the inauguration of the main Dasara event, Somashekar hogged limelight with the inauguration of Dasara Film Festival at Kalamandira. Next came the inauguration of the *Aahara Mela* at the Scouts and Guides Grounds where he was accorded the ceremonial welcome with traditional bands.

He happily inaugurated the Dasara Flower Show and even posed for photos with the guests and other officers who were also dressed for the occasion. Somashekar was part of the *Kaigarika Dasara* though Industries Minister Murugesh Nirani inaugurated it.

In the evening, the District Minister inaugurated the Dasara Exhibition at the Exhibition Grounds and later, he inaugurated the Dasara Wrestling contest. The inauguration-spree did not end here as the Minister went on to be a part of Dasara illumination inauguration along with Energy Minister V. Sunil Kumar who pressed the button, switching on the lights.

Later, Somashekar inaugurated the Dasara cultural events at the Mysore Palace and presented the *State Sangeetha Vidwan Award*. On the sidelights, Somashekar also inaugurated the exhibition stall set up by the Information and Publicity Department at Dasara Exhibition Grounds.

(Continued from page 1)

As all programmes of this Dasara were planned at the last moment, the organisers did not have a back-up of guests and performers in case of cancellations and they had to scout for new guests as there was a guest cancellation for the main inauguration event. But somehow, they managed to get Shivarajkumar and this is the reason for the main inaugural event being postponed by two days, sources said.

However, SP Chethan said that the inauguration was postponed due to another reason. "Earlier it was decided to hold 'Appu Namana' in honour of late actor Dr. Puneeth Rajkumar two days after the Yuva Dasara inauguration. But we felt that the 'Appu Namana' must be held on the day of the inauguration and this is the reason we decided to inaugurate the Yuva Dasara on Sept. 28," he said.

Changed schedules, performers

As per the earlier schedule, on the inaugural evening, Raghu Dixit had to perform. Now it looks like Raghu Dixit will not perform as per the revised Yuva Dasara schedule.

The second day, Sept. 29, Kannika Kapoor, whose first song "Jugni Ji" became a commercial success, will perform. Her Punjabi song 'Baby Doll' too was an instant hit. On Sept. 30, Laser Act and Signature Group musical band will perform 'Sandalwood Night' along with chosen local dance performers.

The saving grace for Yuva Dasara is the performance of Sonu Nigam on Oct. 1 who will perform along with Dr. Shamitha Malnad. Shamitha is known for her works in the Kannada film industry, as well as her works from light music and devotional albums.

Earlier, Hindi movie singer and music director Amit Trivedi was to perform on Oct. 2. But as per the revised schedule, actors Harshika Poonacha and Vijay Raghavendra will perform on Oct. 2 in 'Kannada Star Night'. After that, there will be a performance by Satyavathi Rathod, colloquially and popularly known as 'Mangli' and the last performer of the day is Amit Trivedi.

On Oct. 3, the last day of Yuva Dasara, Sunidhi Chauhan, one of the most versatile singers of the country with countless songs in her repertoire will perform. Her latest song "Ra..Ra... Rakkamma' from Sudeep-starrer 'Vikrant Rona' is a hit. After the performance of Sunidhi, there will be a fashion show and singer Supriya Ram will perform.

Hundred-plus movies to be screened at Dasara Film Festival

Mysuru, Sept. 27 (PM&SSM)- District Minister S.T. Somashekar inaugurated the Dasara Film Festival yesterday at a programme organised by the District Administration at Kalamandira in city yesterday. However, Hattrick Hero Shivarajkumar, who was expected to attend, could not attend the programme.

Speaking later, Somashekar said that the Film Festival is a great opportunity for film buffs to watch several movies.

"One day is exclusively reserved to screen Dr. Puneeth Rajkumar's movies as a tribute to the late actor. 'Appu Namana' programme is also organised at Yuva Dasara. Ashwini Puneeth Rajkumar will attend this programme," he said.

Stating that Dasara festivities were celebrated in a low-key manner for the past two years owing to COVID pandemic, the Minister said that this year the District Administration is all set to celebrate Dasara in a grand manner and 124-km of roads across the city are being illuminated this year.

Actor Anu Prabhakar Mukherjee, who was one of the celebrity guests of the programme, recalled the day when she along with Parvathamma Rajkumar and actor M.P. He will remain in the memory of each and every Kannadiga. Screening Puneeth's movie a whole day is something to be remembered always.
